THE POWER RETREAT

**DEVELOPING INNER STRENGTH THROUGH SILENCE
25-30 MARCH AT OM SHANTI RETREAT CENTRE (ORC) IN DELHI**

REMINDER & REGISTRATION LINK

Special invitation open to all our Global Divine Family,

Otherwise known as the yearly ORC Silence Retreat, this year's focus will be on accumulating spiritual power.

The specialty of the retreat this year is that there will be no classes as such. By removing this traditional form of support, the aim is to give time and energy to the many treasures already received from Baba, so as to organize them in new ways for our own personal journey and become more effective in applying them. An empowering process, indeed!

Quality time will be given for doing exactly what we always wished we could do -- take a few days off to get ourselves into some genuine silence, deepen our experience of eternity, sort out those bothersome sanskars, and create some new habits of introversion, study, remembrance and yoga.

Please arrive by March 25th, we will start with tea in the garden. Departures on March 30th are after breakfast.

Please register **ONLINE by 5 March** at <http://tinyurl.com/kp2fu82>

We very much look forward to a powerful and transforming experience.

*With love
In Baba's yaad
