RETREAT CLASS: "HOW DO I USE BRAHMA BABA AS MY EXAMPLE?" BY BROTHER KAMTA

CHRISTMAS & NEW YEAR CELEBRATION

We were very fortunate to have with us (for 4 days), Brother Naitram Kamta, our Senior Brother, who is an experienced senior Teacher of Brahma Kumaris in Trinidad. Brother Kamta came especially for a retreat, from January 13<sup>th</sup> to January 15<sup>th</sup>, with the Topic "The Power Of Silence", to deepen our understanding of the significance of the 18<sup>th</sup> of January. We had Divine BK Family members from Curacao, Bonaire and Aruba attending the retreat.

Being a Raja Yoga Meditator for over 30 years, he had so much experiences to share with us, as he can see Baba's insights from a deep understanding point of view. He shared with us many beautiful stories about Brahma Baba at the time before and on the 18<sup>th</sup> of January 1969. He made it clear to us how Brahma Baba can be our example and inspiration to become an Angel, like he did, and to prepare ourselves to go to the Golden Aged World.

For some, who still had a problem to accept Brahma Baba, Brother Kamta became the instrument to bring them closer to our spiritual father Brahma, through understanding the significance of Brahma Baba's role in the Drama.

In his class on the topic "How to accommodate and experiment with The Power of Silence", he made it clear how Brahma Baba used this Power to become karmateet. With a group of 21 participants, we all took maximum benefit, through this special Instrument of Baba.

### Celebrating Christmas and New Year with the Family and contact souls

On the 26<sup>th</sup> of December we had a Christmas dinner with the main students and some contact souls. The significance of the Christmas tree, as the tree of the Human World, was brought in the form of a drama. The meaning of the lights and the decoration and gifts were explained clearly in this way and everyone enjoyed, while getting Baba's knowledge in an entertaining way.

Meditation together, sharing of the Christmas Message of "Love and Mercy", blessings, a small gift and toli, made it all complete.

On New Year's Day we had a celebration with the topic: "Closing the old and opening up for the New".

We had a group of regular students together with all souls who could make free time to contemplate on what we have learned in 2016 and what we want to achieve in 2017. We started with 30 minutes of guided meditation (from Sister Shivani and life), then had an interview on

"Celebration of Christmas in the older days and the Celebration of Christmas in the last 20 to 25 years". Sister Rita, coordinator of Curaçao and Bonaire was interviewed by Divina Boolchand, daughter of one of our special contact souls (Usha Boolchand). One other of our contact souls played life music on his harmonica and guitar and we all sang together. We had two video songs one on Christmas and one on "starting anew" and also safe fireworks : 2 colorful sparkling star fountains and the sparkling cold fireworks stars.

Everyone enjoyed like real children; children of the ONE. Baba worked wonders again. Wah, Drama Wah!
