

## **BapDada's Most Loving, Serviceable Instruments of India and Foreign Lands,**

Multi-Million times greetings of Godly love, remembrances and good wishes for an angelic life.

We hereby wish to inform you that a meeting was held on 9<sup>th</sup> July, 2017 at Shantivan under the Chairmanship of Divine Brother B.K. Mruthyunjaya Bhai ji, the Executive Secretary of Brahma Kumaris. The meeting was attended by about 200 senior brothers and sisters from different complexes of Pandav Bhawan, Gyan Sarovar, Shantivan and Global Hospital. **It was decided that it is high time that the self-effacing Indian and foreign instruments of the Almighty should come together to reveal Bapdada.**

Hence, it was decided unanimously that we will be organizing an **International Conference cum Cultural Festival on "God's Plan - Yoga for World Peace, Health and Happiness" from 23rd to 27th February, 2018 at Shantivan, Abu Road, Rajasthan, India. The folder of the Conference is attached herewith.**

The Conference will focus on the importance of Rajyoga in changing our lifestyle and creating positive consciousness. People around the world identify 'Yoga' with yoga asanas, which are body postures, or with pranayama, which is breathing technique, but they do not have a correct understanding of Rajyoga Meditation, which, is the king of yoga, and addresses and empowers the very aspect of who we truly are, the Soul. This Conference seeks to address that and create a spiritual revolution; as Dadi Janki says, 'When we nurture the inner aspect of 'who we are', we are capable of amazing things.'

The Conference will witness magical moments to reinforce the deep loving connection between the creation and the Creator, the Supreme Soul and will also highlight the diversity and unity among His children.

**The Conference seeks to focus on the participation of VVIPs like Top Industrialists, Nobel Laureates, Scientists, Top Media Personalities, and other eminent people from different sectors like arts and culture, social, sports etc. from all over the world.** Also, the Conference will witness the participation of Central and State Ministers, Chief Ministers, Governors, Bharat Ratna Awardees and other eminent guests from India.

We seek active participation and cooperation from all to make this Conference a big success and in glorifying Baba. The good wishes and yoga of the spiritual family will take us forward in realizing the vision of our Beloved Bapdada of 'One World One Family'.

With divine thoughts,  
Your Spiritual Brother,

**(B.K. Mruthyunjaya)**
