

Sr Vedanti has an unexpected surprise visit to Uganda

A relatively new centre in Uganda in the town of Jinja had its first A Diwali Program which was attended by about thirty mothers.

URI (United Religious Initiative) celebrates Children's Day on the 14th of November, and Bks were asked to be present and contribute. Sr Nipa attended and met many leaders of the different faiths in Uganda.

Uganda was blessed with an honorable surprise visit from Sister Vedanti from Nairobi on the 23rd of November 2015. Many events were organised to benefit maximum from her short yet impactful visit.

During her visit it was an ideal opportunity to celebrate Diwali, an event organized and hosted by Mr. Dawda a local prominent member of the community where Vedantibhen got the opportunity to meet and interact with some of the eminent and well recognized personalities.

Uganda was preparing for the visit of the Pope for the first time to the country and so many of the radio stations na television news stations were highlighting this visit. It prepared the ground for an interest in deeper spirituality and so Vedantibhen accompanied by Hitesh Bhai, met the CEO of New Vision News Paper. This led to an interview with a local television news channel, Bukedde which was aired on the same evening.

Many other personal visits and sustenance was given to families and contacts of BKS in Uganda.
