Ever ready to serve disaster

Date : 30-03-2017

Respected Sir,

Sub: Tele-Bridge with International Space Station

Greetings of Peace and love from Mount Abu international HAM Radio Club, MHRC call sign: VU2BK (GOI, WPC License No: 26213) is a non-profit Organization/Club with an aim to promote Amateur radio /Ham Radio as an instrument for spreading universal brotherhood and to provide emergency communications.

It fills us with delight to announce that NASA has given permission to MHRC and Brahma Kumaris to Telebridge with International Space Station on 3rd April 2017 between 13.00 to 14.30 Hrs (IST) under Amateur Radio on the International Space Station (ARISS) program. The program will be held at Brahma Kumaris, Shantivan Complex, Taleti, Abu Road. Rajasthan.

Amateur Radio on the International Space Station is a program that lets student's worldwide experience the excitement of talking directly with crew members of the International Space Station, inspiring them to pursue interests in careers in science, technology, engineering and math, and engaging them with radio science technology through amateur radio.

The ARISS program was created and is managed by an international consortium of amateur radio organizations and space agencies including National Aeronautics and Space Administration (NASA) in the USA, Rosaviakosmos in Russia, Canadian Space Agency (CSA) in Canada, Japan Aeronautics Exploration Space Agency (JAXA) in Japan and European Space Agency (ESA) in Europe.

We take this opportunity to cordially invite you to be our Guest of Honor for this program and grace the occasion.

With Best Regards

Yashwant Patil VU2YOR
President, MHRC
