On the 19<sup>th</sup> of September 2021, the final rites for Sister Kamala's peaceful passing were performed at the Mandai Crematorium in the presence of her immediate family members and the Singapore Brahmin family.

Sister Lakshmi, National Coordinator of Brahma Kumaris Raja Yoga, Singapore, remembered Sister Kamala's many praiseworthy qualities. Sister Omana and Brother Srimi also presented their eulogy on behalf of the Brahma Kumaris

family, reminiscing about Sister Kamala's courage and commitment to the principles of the organisation. Mr Suresh Harikrishnan, Sister Kamala's nephew, spoke on behalf of her next of kin who were present for the final rites. He fondly remembered her kind ways and sweet demeanour.

Rightly befitting the soul of respected Sister Kamala, whose sincere dedication inspired many others to lead a spiritually enlightened lifestyle like herself, all those who were present honoured her with sandalwood and flowers, to symbolically add coolness, richness and fragrance to her final journey. To the sound of Om Shanti, the body was finally sent off with love, affection and respect.
