The singer group dedicated the song 'Keep The Faith' written and sung by Bro. Roger was much enjoyed.

Atam Prakash Bhai ji enjoyed the gathering very well and emphasised on daily meditation at least for 15 – 20 minutes. He explained how to do meditation and also how to maintain the continuation of meditation on a daily bases. Everything that Bhai ji mentioned was accepted with much interest and love to follow. Also shared about the soul consciousness and body consciousness that in order to have successful connection with the One Father we have to change the dress and the address of consciousness and remember The Supreme Father the Supreme Soul alone. Ultimately we had very informative talk by Bhai ji.

Toli and blessing cards were distributed personally by Bhai ji to everyone. The evening became a memorial with Atam Prakash Bhaiji.
