

# AWAKENING

## WITH SISTER SHIVANI

JUNE 10-12, 2018

### VANCOUVER SERVICE REPORT

The Vancouver Family was deeply grateful for this opportunity to serve many souls by being part of the Awakening West Coast Tour. Not only was this a chance to enjoy the presence of Sr Shivani—but it also was a wonderful moment which united the hearts, minds and hands of the Canadian Family.

Many thanks to Br Eric, the Canadian National Coordinator, for his constant support in making sure everything went smoothly.

Many thanks to Latabhen (Toronto) for her generous support in so many areas, including care of the many guests accommodated. We also deeply appreciated the presence of Sr Sangeeta (Ottawa) who proved to be an all-rounder!

Many thanks to Sr Judi (Calgary) who was always ready to help.

Many thanks also to Sr Tanya (Montreal) who, together with Judibhen and the young Vancouver angels, provided a touch of sweetness.

Countless thanks to the brothers and sisters of the Vancouver Family, where all became magical with each tireless and loving finger of cooperation!

Finally, there are no words to describe the gratitude felt towards Baba and Drama—together making the impossible, possible!
