

Inspiring Visit from Madhuban

BK Br Mohinder and BK Br Vivek in Vancouver - July 16 to July 21, 2018

In July, Vancouver family got the fortune of the visit of Baba's 2 special jewels; BK Brother Mohinder Paul and Brother Vivek Verma from our Home – Madhuban. With a life wholly dedicated to Baba, both brothers brought for us the fresh and powerful vibrations of Madhuban, and deep experience of their life's journey with Baba. They are light and easy; tireless and ever ready servers, and they radiate Baba's love and bliss in their attitude and actions.

Many programs were held with both the brothers in Vancouver, Surrey and Abbotsford in English, Hindi and Punjabi language. With the full house at every event, souls took benefit from their insightful knowledge and life's experience sharing. We had enriching daily Murli and churning class with the brothers during their stay. Brothers also went to Victoria (the capital of BC, which is in the island ; and 1 and half hour ferry ride away) and met the small Baba's family there and shared Baba's wisdom.

Mohinder Bhai, who is serving as manager administration at Global hospital in Mount Abu, holds utmost calm and maturity at all times. One of many jewels of knowledge he shared with us is that the two virtues that make us close to Baba's heart throne are : Spiritual Tolerance and Humility. He brought our attention to check if we eagerly wait for Amrit Vela everyday? When we flow with such deep love for Baba, all aspect of our life flows effortlessly and seems as though someone came, did all our work quietly and left.

Vivek Bhai, who is now serving as poet and anchor at Godlywood Studio, Madhuban, has a special way of sharing the deep knowledge points through his beautiful poems that are deeply touched by Baba's Love and Wisdom. One of his poems he shared has the message that, "all is the game of perception.. first of all earn the art of elevated perception." He summarized the essence of our enlightened journey with Baba in 3 lines: All my love is for Pyare Baba; Introversion is for myself; and my actions are for service.

Brothers visited few scenic places in Vancouver and Victoria. While enjoying the beautiful nature; brothers constantly reminded us the unmatched beauty of Golden Age; our highest destination.

Brothers emphasized on the importance of being lost in loving remembrance of Sweet Baba. With their simplicity they reminded us that being simple is being Baba's child in true sense. It was a great experience with Br Mohinder and Br Vivek; and we thank Baba for having this valuable opportunity in the drama.
