

Experiencing God's Love - the Story of the Yagya

Celebrating... Mohiniben's 60th ... Jayantiben's 50th

40 Years of Service in North America ...

Closer to Completion & Perfection

Peace Village, USA, Sep 27 – 30, 2018

An amazing gathering of the USA and Canada family came together at Peace Village from September 27-30, emerging and sharing an Ocean of God's Love and Divinity. The theme was **"Experiencing God's Love: the Story of the Yagya"** as we joyously celebrated Mohiniben's 60 Years and Jayantiben's 50 Years with Baba, 40 Years of the Brahma Kumaris Serving in North America, Baba's Yagya and creation, and the joy of each one moving closer to their unique stage of completion and perfection.

Mohiniben and Jayantiben were grandly welcomed to Inspiration Hall

The hall sparkled with many celebrating anniversaries with Baba and in service. We all created a very powerful and love-filled atmosphere together.

Baba's classroom, kitchen, dining hall, and the entire campus of Peace Village was full of sweet silent shakti and bliss in one moment, and dancing in harmony and lightness the next ... full of towers of strength, Godly virtues, and divinity... shining with divinity and light.

Murli, Class, and the main program was held in Inspiration Hall. Baba spoke about how we need to be fearless and be a benefactor - and of course 'experiencing God's love' - the overarching theme, is the way to make that happen.

Baba gave a special yaad pyar in the Murli that morning: "To the sweetest, beloved, long-lost and now-found, mouth-born creation of Brahma, the decoration of the Brahmin clan, the children who are spinners of the discus of self-realisation, love, remembrance and *good morning* **from the depths of the heart with deep love** from the Mother, the Father, BapDada ..."

Story of the Yagya: A touching re-enactment of a scene from the start of the yayga: kumaris sitting in a semi-circle preparing seeds, chanting 'OM'. Baba's words from an Avyakt murli on the **Power of Transformation** empowered the gathering.

Heart to Heart - Beautiful Memories: Mohiniben and Jayantibehn were asked by MCs Eric and Erik (Canada and USA) about their early memories and experiences of each other on their spiritual journey with Baba. Mohini and Jayanti both remembered different scenes ... special memories returned while they were sharing.

Jayantiben remembered how Baba chose Mohiniben, “the perfect instrument, the perfect Shiv Shakti for the west.” Mohiniben remembered how Brahma Baba had connected them, how they complement each other, and how Jayantiben’s sweetness has done so much service.

Heart to Heart - Love: Sister Waddy asked Mohiniben and Jayantiben to talk about how Didi Manmohini and Dadi Janki had experienced Baba's love and how they had shared that with them.

Special Meditation: Experiencing the Depths of God’s Love

In a very beautiful meditation experience, in which Mohiniben and Jayantiben were invited to speak about experiencing the depths of God's love as a meditation commentary/dialogue, interspersed with silence and music ... we all created a very powerful and love-filled atmosphere together.

The skies cleared completely and it became a beautiful day ... many were able to take their meals outside and enjoy the beautiful surroundings. There truly was a family feeling.

On Saturday morning, the 29th, there were 600 BK students in Inspiration Hall by the time we started the morning program.

Inspiring Yagya Experiences: Some very lovely photos of Mohiniben with Baba, the Dadis and the family were shown in a powerfully captivating slideshow. Lovely photos of Jayantiben over the years touched and melted hearts.

Book of Blessings & Gifts: Julia and Carol (New York) read out six blessings from a book of blessings for Mohiniben and Jayantiben coming from the North America and Canada family. MCs Erik and Eric presented each of them with a book of blessings ... various beautiful gifts were presented from the New York, Guyana, Canada and other families.

Mohiniben and Jayantiben offered bhog, and Mohiniben shared a bhog message from Baba for the gathering. Baba spoke of three things: **samarpand** (surrender), **swaha** (sacrifice to the yagya) and **safalta** (using everything in a worthwhile way).

Yagya in North America: Mohiniben then spoke about the expansion of service in North America, with memories of the early days of Canada, New York and the Caribbean. Jayantiben thanked Baba and the family for all the love and support that had been shared.

As a delightful surprise, **Brijmohanbhai called from Madhuban** via Skype. Brijmohanbhai shared congratulations, a Godly message to only remember soul and Supreme Soul, and news from Madhuban.

Gifts, toli, drishti, and blessings were then given to all ...

and Brahma bhojan was enjoyed outside in the grounds.

Perfection and Completion

Saturday evening, Sr. Jayanti shared on the theme of 'perfection and completion.' Many felt new insights and realizations emerging naturally ... absorbing satopradhan energy ... touching ... feeling ... stabilizing ... once again ... in wholeness ... remembering ... one's original stage of perfection.

Special Floating Candle Meditation: Rosary of Lights

We all went outside to the pond, where there was a very special candlelight meditation, with everyone holding (battery powered) candles walking around the pond and real candles were ignited and set to float in the pond. Dadi Prakashmani had placed the first floating candle in the pond when Peace Village was first created. It was a beautiful scene and a perfect close to a memorable day.

Slideshow of the Weekend: On Sunday morning, after Avyakt Murli and revision, an excellent slideshow highlighting special moments over the weekend was shown.

Sharing of Experiences: A few shared their experiences and feelings of the weekend. One shared: "Like the candles, each of these great souls is on each side of the pond. Then, one by one, the candles were lit and placed on the pond. This morning, the whole pond was full of candles ... you rosary of lights."
