

Launching of Digital Awareness Campaign
by Ravi Shankar Prasad Hon'ble Union Minister
of Electronics & Information Technology

DIGITAL AWARENESS CAMPAIGN

In Association with :

**IT Wing
Brahma Kumaris**
(Information Technology Wing)

**Radio Madhuban
Community Society**

PRAJAPITA
Brahma Kumaris
ISHWARIYA VISHWA VIDHYALAYA

Aims and Objectives :

This Campaign has been initiated with the aim to create awareness about how to use the Technology to be able to make the daily life much simpler. As India is moving towards Digitization, now it's the time for each & every individual to get awareness about all the latest applications, technology, digital payments, Banking etc.

Safe Digitization :

On one hand, Digitalization has brought many facilities in human's life. But, we also have to use it in a very safer way. Specially the youths, younger generations are getting attracted towards these gadgets, a kind of addiction we can say!

So, this campaign is focusing on Safe Digitization. Creating a platform, system where one is using the Digital system but not get affected. Such things are possible when we inculcate values.

The Project is aiming at spreading the awareness about Values that one needs to practice, while using the Digital system.

Such as, Honesty, Integrity, Loyalty, Stability and Passion for Excellence etc..

Kindly join us in this noble cause to create a difference in everyone's life. Become part of this unique project.
