

THE BKUN OFFICE IS EXCITED TO INVITE YOUR ACTIVE PARTICIPATION IN 1 OF THE 3 WAYS...

UN GLOBAL ROAD SAFETY WEEK (MAY 6 TO 12)

Take a minute and reflect how your **#Spiritual practice** has brought **#newness** in your personal road travels and below are 3 fun and creative suggestions to express and share such newness during the **#RoadSafetyWeek**.

Each of the BK center can easily participate and perhaps even explore **#new avenues** of outreach in serving our **local communities**.

1 Make a 3 min video

Get creative in compiling a short 3min video by asking BK students &/ BK teachers from your center 3 simple questions... **capture their candid answers simply via your smartphone & email us**

1. What are some challenges you face while driving?
2. What are some precautions you take in your driving?
3. Any tip you want to share to inspire others?

2 Community Outreach

Let's dedicate one of our weekly **meditation sessions, workshops or library sessions** to engage in exploration on how the spiritual understanding & practice of meditation helps us adopt **#safer driving awareness**, makes us calm during the **#RoadTravels**, helps face challenging road travel situations, & empower self to consciously add more safety!

3 University, Corporate, etc

Let's take this as an opportunity and bring more **#newness** by extending our introduction (on behalf of the BKUN office) to the local Academic University, other community groups / clubs or even corporate workplaces in our connection.

Here is the **link to reference presentation** and **reference email** and **brief** about BK Road Safety & BKUN efforts.

The road safety team would love to know which activity your center is considering & you can reach us at bkroadsafety01@gmail.com. We are happy to answer any questions, provide clarification or share detailed assistance in any of these activities that you may be considering.

With Divine Remembrances,
