

# BR AMIRCHAND'S VISIT TO THE USA

Beloved Brother Amirchand toured USA and Canada from 7 August to 3 September, 2019—serving all through his powerful and royal presence, humble and generous heart, deep yogi silence, and unlimited divine qualities.

Having been sustained by Sakar Baba and Mama in the early years of the *Yagya*, he now services as Director of the Punjab Zone as well as the Sonipat Retreat Center in Haryana, India.

Here in images are some of the highlights of his extensive tour which included service places in the states of New York (Harmony House, Queens, Manhattan, Westchester Community of Yonkers, Poughkeepsie), Massachusetts (Boston), Atlanta, South Carolina, New Jersey (Cinnaminson, Atlantic City, Edison), Connecticut, Washington DC. He crossed the Canadian border to see the Toronto Family, and inspired all at the Peace Village North American Retreat.
