

# Sr Shashi's Service Tour of Western Canada

CALGARY | AUG 22-26

VANCOUVER | AUG 26 – SEP 21

We felt most fortunate to enjoy the sweetness and power of Sr Shashi's presence in Western Canada for Raksha Bandhan. She brought a wave of love and light from Baba's Heart that touched and inspired each of us.

Didi Shashi has a wonderful specialty of inspiring warmth and respect within the gathering. Wherever Baba placed her while in Calgary, she created a feeling of family.

For those celebrating birthdays in Calgary in August....  
Shashibhen's presence was the best gift ever!

BIRTHDAY WISHES

Baba sent such a perfect speaker for the  
topic of the Calgary Public Rakhi Program:  
Return to the Source of True Love.

Our drishti reminds each of other of not only the Father, but of our unlimited fortune belonging to such a divine family.

On August 26 Sashiben traveled from Calgary to Vancouver. Upon arrival we invited her to go to Anubhuti with us since 14 of our students was going there for a retreat with Sr. Vedanti. Drama was very much on our side as we secured the required VISA overnight as well as a ticket to San Francisco.

We really enjoyed her company; she naturally became a part of the Vancouver Family.

As she toured touched the hearts of so many serving souls in and around Vancouver, Shashibhen experienced the specialties of the West Coast.

From Temples to TV, Shashibhen was an all-rounder, ever-ready soul dedicated to revealing the Father.
