

Peace Day Celebration
January 11, 2020
Brahma Kumaris, Los Angeles, California, USA

Peace Day 2020

Founders Day or Peace Day at Brahma Kumaris, Los Angeles was celebrated on Saturday evening, January 11, 2020.

The evening began with a meditative atmosphere. The center was decorated beautifully and brought memories of Madhuban. Baba's Room was decorated especially by the Pasadena Study group. They came to the center during Amrit Vela and decorated Baba's Room in Baba's sweet yaad.

The stage was also decorated in a way that it gave a pure feeling of being under God's Canopy of Safety, Protection and Comfort. The event started with a guided meditation by sister Kristina. After that, brother Vivek welcomed everyone in the room and on Zoom and went over the flow of the evening's program. We watched a lovely movie introducing Brahma Baba which gave an introduction about the ascension of **The Light** and a brief introduction about The Brahma Kumaris.

After the video presentation, sister Chandru, the head of Brahma Kumaris for the West Coast Region of USA gave a talk via video call on Zoom. She made the whole audience chant OM 7 times. She also shared her experiences as to how she got the first lesson and introduction to “soul” from Brahma Baba directly.

We had meditation for few minutes and then brother Vivek invited sister Gita, director of the Los Angeles center to share a few words. She led everyone into a peaceful conversation with the self. She requested everyone to take home the thought of “Determined Faith” for the new year and leave old stale worries behind. She said that faith can move us forward only when we make up our minds. She added that each person is responsible for world transformation by transforming themselves first. The first step for it was the “Determined Faith.” She also shared that the Mind is our greatest enemy, to which everyone agreed and that now it is our responsibility to make it our friend.

After that, while sister Kristina led the audience into a beautiful and powerful guided meditation, sister Gita and sister Vino conducted meditation with the audience in the room. Then everyone received Blessing card, Fruit and Toli (Super juicy apples and Sindhi Halwa from Madhuban, Mt. Abu, Rajasthan, India). The evening was warmly concluded with a delicious and nourishing dinner outside, which was a treat that complimented the cool winter atmosphere.

Om Shanti
