

The International Brothers Retreat

For all BK brothers

All online from 5/6th to 7th June 2020

On the theme:
**Building Resilience
for Now and the
Time Ahead**

This is a great opportunity to talk about:

The things that really matter to us right now?

How to strengthen ourselves spiritually, so that no matter what happens we are ready?

Getting clarity on what's really going on at this time and what is the best way to serve?

How to feel Baba's protection so that we always have enough for our families, our centres and ourselves?

This retreat is open to all BK brothers

There will be three sessions plus opening and closing sessions, facilitated by our senior brother instruments, including smaller break-out sessions, all within the Zoom environment. Everyone will be connected with others within their time zones.

The senior instruments will be:

Sister Mohini
Ken O'Donnell

David Goodman

And other senior brother instruments

It is a chance to enjoy depth, insights and the company of other BK brothers.
