

Happy Diwali

Dear Divine Immortal Lights The Living Diyas of God's Garland

Warmest Greetings of Love as we celebrate
this very Auspicious Time of Diwali!

We have witnessed incredible scenes this year, as the benevolent Drama unfolds. Through it all, we continue to receive the oil of so many spiritual treasures in our awareness—enabling us to remain light and loving at every moment. As people in the world feel more distant in an atmosphere of uncertainty, it is essential to draw souls closer to the Ocean of All Attainments, where they can experience sanctuary and true safety.

This year, God is invoking our angelic stage of supreme abundance and contentment—our stage of fullness and perfection. With such brilliance and joy, we can reveal to all souls the path to the Heart of True Love, and the Source of Pure Light.

In Remembrance of Our Beloved Father,
Mohini Didi
