

THIRUMANI TANA RAJA

10. 12 . 1949 - 5. 1. 2022

Dear Divine Family,

Sister Thiru had been with Baba for the last 34 years. She took lokik and alokik birth in Malaysia. Upon retirement from her lokik job as a government servant in the year 2000, she surrendered herself to Baba's service. She first went to serve in Australia for 2 yrs and then in Sri Lanka for the last 20 yrs. She had served in many different centres before being made the centre coordinator of Vavunniya centre.

She had cancer and that became the cause for her to leave physical body on the 5th of January 2022 and fly into Baba's lap.

She was a very good Godly student and never ever missed Amritvela and Murli.

Our heartfelt tribute to the departed soul.
