For other meditations

**Awareness of Drama**

Since you have received the knowledge of the drama and know that the present time is the Benevolent Age, you know that whatever scene comes in front of you is also filled with benefit. You may not be able to recognize this at the moment, but the benefit merged in the future will be revealed. Remember, "Wah drama! Wah!", and you will remain constantly happy and never become unhappy about your efforts. Others will then automatically be served through you. AM 01/01/79 (...) you need to have firm faith in all 3 – in the Father, in the self and in the drama. AM 30/09/2007 My part is to show you the way to become pure. AM 12/08/2020 The drama inspires you to make effort (...) SM 02/06/2020

**Awareness of Being a Guest in the Physical World**

What one word should you remember? To consider yourself to be a guest. (...) you will be able to achieve the final, perfect stage (...) while being in the corporeal form, you will be able to remain in the avyakt stage. A guest does not have any attachment to anyone. We are guests even in this body. We are also guests in this old world. Since we are guests in this body, why should we have attachment to it? You have to use this body for just a little while. What will you become there (...)? The more you are a guest here, the greater a master of the world you will be there. MA 26/06/69

**Awareness of the Confluence Age**

Those who have attained the fortune of the Confluence Age are great yogis. This age is the Diamond Age of the Godly birth when you have a meeting with God in which you attain alokik happiness, peace, an elevated birth and a fortunate family. (AM 07/03/2016 Title) To those who constantly celebrate a meeting with the Father, to those whose only intoxication day and night is of belonging to the one Father and none other, to those who donate to all the souls of the world the great donation and blessing of all treasures, to those who become embodiments of awareness of this elevated fortune by keeping the specialities of the confluence age in front of them, to the world-benefactor souls who constantly have an elevated attitude and elevated vibrations, BapDada's love, remembrance and namaste.
