

Service Report of Dr Partap Midha

London, Paris and Rome – July 2022

After almost a decade, it was a pleasure to have Dr Partap Midha, Trustee and Director of J. Watumull Global Hospital & Research Centre in Mount Abu, Rajasthan, visit the UK. Having a very humble and caring yogi with us was very special for us indeed.

Dr Partap's reason for visiting Europe was to receive the **Bharat Gaurav Award** – a Lifetime Achievement Award giving recognition and motivation to the unsung heroes across the country who are working hard for the betterment of the lives of the underprivileged. Dr Partap cannot be praised enough for the work he has done at Mount Abu's Global Hospital, and in particular his work during the pandemic under extreme difficulties.

During Dr Partap's special visit we received lots of lovely feedback.

Below are a few:

- He is a special soul so I'm glad he had the opportunity to serve in London after many years. Thanks for organising his programme Jayminiben.
- I am very grateful for having the opportunity of serving Dr Pratap ji, such an amazing Jewel. His few days in Paris have been a huge revelation for me and while serving him I have seen the embodiment of a Real True Easy Raj Yogi (practitioner).
- He is not only the Awardee of Bharat Gaurav but also the Awardee of Embodiment of Virtues. During the Awards celebration I have witnessed his behaviour full of Flexibility, Patience, Goodness and Greatness.
- Every single moment, His Thoughts, Words and Actions in every relationship remain always well aligned and full of Wisdom. He is really the one who Walk the Talk.
- I have been admiring the constant daily discipline of his spiritual life and listening to all his classes in London, Paris and Oxford.
- Dr Partapji has been an incredible inspiring instrument in bringing newness for my own progress and transformation.
- Deep from my heart with an attitude of Gratitude a very Big Thank to Dr Partapji for spreading his wonderful Fragrance in Paris.
- I found Dr Pratap's gentle spiritual energy very uplifting, in his role as a special instrument of Baba's.
- Partapbhai left just now from GCH reception with so much love from the family. He really won everyone's hearts during his stay. ❤️
- Such a natural yogi, loving to all and always available. Magic soul.
- I experienced vibration of Madhuban through Partap bhai drishti. Short and sweet. His simplicity was a big contrast to the complications all around.
