## **Dharna-based leadership program for all those with responsible positions within the Brahma Kumaris**

Dharna is one of the four pillars of Raja Yoga and the support for healthy relationships in service. From time to time we have to review how much the way we manage Baba's task is aligned to the dharna He expects from us.

In this 3-day program, we will take a deep dive into such topics as:

- Building virtues from our innate qualities
- Spiritual competencies in service
- organizing and sustaining teams
- Dealing with ego and self-deception
- The logic of the double helix, the spiritual and the administrative
