Today we, the civilized society across the world, are passing through a crisis of political destabilisation, social disintegration & economic uncertainty. The hostility between Russia & Ukraine has pushed the whole world, rather the human civilization to the brink of elimination. In this age of crisis India is being looked upon by most of the nations as the only ray of hope to bring back peace and stability to the war-torn & hatred-filled world. It is India's age-old foundation & deep-rooted tradition of spirituality that have given the world an assurance of settling the violent issues in peace.
