

*Service Report of Sister Shivani Public Program
“Transforming Problems into Miracles” on 9th December 2023
at Plenary Hall, Kuala Lumpur Convention Centre (KLCC).*

“Once again” in every kalpa, Brahma Kumaris Foundation Malaysia was fortunate and deeply grateful for the opportunity to coordinate this magnificent public event by BK Sister Shivani titled “Transforming Problems into Miracles” in the most iconic and prestigious Plenary Hall in KLCC on 9th December 2023.

*The members of the media who were fortunate to be present were:
Makal Osai (Tamil), Maya TV (Tamil TV), Sun (English), Red
Tomato Media (Chinese Media), a Magazine writer*

The day started with a press conference with several main media streams from 10.00 am to 12.00 noon at the VIP Lounge 1. Sr. Shivani shared with the press some tips on how to keep a positive frame of mind while having to report or see numerous adverse situations around them.

She related examples of people who were able to manifest unimaginable positive outcomes in their health, financial or relationship issues - A miracle created out of the daily and constant simple affirmation!

Prior to the big event, there was an exclusive meeting of VIPs (comprising HE Mr. BN Reddy, the Indian High Commissioner in Malaysia, his wife, Mdm. Lalita & daughter; Dy. Ministers, BKF lawyers, etc.) with Sr. Shivani from 6.00 – 7.00 pm at the VIP Lounge. Sr. Shivani impressed upon them that no matter how busy they are, they should practice spirituality in their lives. She also encouraged them to visit the Brahma Kumaris HQ in Mount Abu, Rajasthan.

The committed Planning Team behind Sr. Shivani's program dedicated months to spreading awareness, managing publicity, and promoting the event. Their persistent efforts bore fruit when registrations exceeded 3,500. However, facing the challenge of exceeding the venue's maximum capacity, the team made a considerate decision to request their dedicated members to surrender their seats and enjoy the event from home via zoom, thus opening up opportunities for the public to participate in the event.

This remarkable journey of self-discovery began with Sr. Shivani's inspiration to bring the audience into transforming their life with the power of the mind. A combination of wisdom and humour encouraged the audience to take the first step towards much awaited change by changing the vocabulary from the lowest vibrational words into the highest vibrational words making the emotion independent rather than dependent. Sr. Shivani demonstrated how the intention, thoughts, feelings, words and behaviours radiate as emotional vibrational frequencies and influence the world. Experimental meditative sessions conducted by Sr. Shivani gave the audience the experience of having repeated positive affirmations to create a desired life which then manifests into destiny.

She also mentioned how our thoughts influence the environment "If you create the right thoughts, then you can create happiness, health, harmony and heaven in your life."

This highly anticipated and well-received event was officiated with a violin performance by Ms. Ayoko from Japan /Hong Kong followed by an opening speech by His Excellency, Mr. B.N. Reddy, Indian High Commissioner in Malaysia. Mr. Pooi Cheng Fatt, Acting Chairman of Brahma Kumaris Foundation then presented a beautiful bouquet of flowers to welcome Sr. Shivani.

At the end of the Program, an extraordinary and enchanting moment unfolded as Sr. Shivani orchestrated a departure like no other - guiding the audience to gracefully exit the hall in a tranquil silence and with impeccable order.

As the program drew to a close, a poignant moment unfolded when almost 100 people gathered beneath the stage, some eager to approach and meet Sr. Shivani. Maintaining her serenity, Sr. Shivani conversed with them calmly and peacefully, imparting pearls of wisdom and consoling them with love and compassion. Tears welled up in the eyes of many as they sought her 'dhristi,' creating a beautiful and heartfelt scene.

"In the heart of KLCC on December 9, 2023, Sr. Shivani's mega event concluded with unparalleled success. Her enlightening teachings left an enduring impact, fostering unity, inspiration, and spiritual elevation among attendees. As we bid farewell to this extraordinary gathering, the resonance of Sr. Shivani's words lingers, guiding us toward a future infused with wisdom and compassion.

Thank you Baba, Drama and the Seniors for sending such an amazing Angel to Malaysia. Om Shanti.
