APPRECIATION CEREMONY PROGRAM FOR KARMA YOGIS

ASIA RETREAT CENTRE(ARC), DENGKIL, MALAYSIA

SUNDAY, 5 JANUARY 2020

ARC ushered in the New Year 2020 with a meaningful start of having a half-day **Appreciation Program for Karma Yogis** in appreciation for all their help and effort serving tirelessly in many ways throughout the year and in the last five (5) years of operations.

Indeed, it was a memorable and meaningful day for both the 170 ARC niwasis and the karma yogis who participated in the program. They thoroughly enjoyed themselves, inspired and were awed by the grand ceremony accorded to them and served with a ten-course Lunch.

To them, it was really a special treat for the occasion as the ARC niwasis took the opportunity to cook for the karma yogis with much heartfelt thanksgiving and appreciation for their tireless service rendered from time to time during the several ARC programs to run smoothly and successfully throughout the year.

The highlight of the beautiful scene in the Program of the Drama Chapter was the timely and appropriate presence of Usha Didi from Mt. Abu who coincidentally, arrived that morning in Malaysia to attend the 18th January 2020 service visit. Her presence had added great joy, flavor and fragrance to the whole Appreciation Ceremony. Wah Baba Wah. Wah Mother Drama Wah.

In her inspiration speech, Usha Didi shared that KARMA YOG is the most important amongst others as highlighted in the Gita. It helps us to have full mastery over our senses, become true self sovereigns and embodiment of seven qualities of the soul. *Allowing all the seven energies of the soul to flow in the karma is true karma*, much blessed by Baba because each of the action gives happiness to souls making each one a jewel of contentment. In each action always have in awareness that the world is watching us by applying knowledge in each step, be such simple and quality child of Baba that there is quality in each and every word we speak, not ordinary but full of meaning and essence to touched the hearts and not hit the heart. Such that whoever sees it would wonder who is the instrument that does it. Our every behavior, word and action will reveal the quality of our intentionthe subtle is visible through the physical. So be such a perfect example.

Meera Didi announced the great news that in future there will be a Retreat organized for karma yogis moving forward.

The program ended with bhojan with seniors together and a bountiful ten-course lunch that made everyone so full, satisfied and happy...our deepest and most heartfelt thanks to Baba, Mother Drama and the Divine Family, for the great and meaningful time together.
