Serving the Tourist Guides

The Indonesian Tourist Guides Association (Spanish Division) Bali, held their annual general meeting in Barong Bale Kulkul Hall Gianyar, Bali. Among the many items in the day long meeting was a spiritual talk. For this The Tourist Guides Association contacted the Brahma Kumaris of Denpasar to give a spiritual talk to the local tourist guides. More than a hundred tourist guides were present.

Bk. Sister Janaki met this group and told the group that cooperation and excellence in service were necessary to attract more tourists to Bali. We are all souls and we need to work together as brother souls of one family. If there was this family feeling then peace and harmony among the tourist guides can attract more tourists. The talk lasted for 45 minutes and the guides were very happy to meet Bk. Sister Janaki and listen to her talk.

At the end of the talk all present were given blessings and brochures. Many showed interest to come to the centre to get more information on spiritual education. Some also said that they were happy to take the basic 7 days course in Raja Yoga. Om Shanti

Warmest Regards
