

Pitashri Brahma Baba's 53rd Anniversary Celebration Online in Malaysia

“Mantra To Become Complete – Follow the Father”

Malaysia Family celebrated the day of powerful remembrance on the 18th January 2021. More than 400 Brahmins from Malaysia, Singapore and Indonesia participated in this program. Asia Retreat Centre (ARC) residents created 5 Dham at the various location within the retreat centre. The day started at 3.30am amrit vela meditation where all residents were sitting at the four corners of mini model of “Tower of Peace” which is located in the Diamond Hall. All seniors inaugurated each place – Baba’s Hut, Baba’s Room, World of Relationships, Ancestors’ Gallery and Five Forms Room. After the inauguration, residents visited all the five dham at their own time. Special amrit vela session was also organised for those online participants from 3.30 to 5.00am.

We started meditation at 6.00am followed by Murli read by Sis Meera. After offering bhog and listening to Sakar Baba and Avyakt Bapdada’s voice, a beautiful blessing ceremony was conducted online. This was a surprise item and participants were amazed and very happy to receive their blessing on this Day of Remembrance of Brahma Baba.

There was a live sharing session by Sis Vedanti from Africa on her experiences with Sakar Baba. She was the last kumaris who surrendered during Sakar Baba’s time. Her sharing touched the heart of the participants especially when she shared how Brahma Baba transformed her serious nature to someone who is very entertaining. Bro Nirwair recorded his experiences with Brahma Baba, his sharing brought all of us closer to Baba ... It was first time, we came to know that he decided to spent 40 days of his remaining working leaves with Sakar Baba, stayed in his company and received close guidance.

A panel discussion with the theme “My Best Practices Following Father”. Panelists were Bro Letchu, Malaysia, Sis Omana, and Bro Srinivas from Singapore; moderated by Bro Kiruba, Malaysia. Participants enjoyed the sharing by the panelists . The celebration concluded at 1.00pm with Brahma Bhojan.

In the evening, we had a very special National Live Meditation online followed by BapDada’s milan. Multimillions thanks to Beloved BapDada, Drama and Divine Family for all the love and cooperation.
