

# Fun Corner

Little five-year-old Johnny was in the bath tub, and his mom was washing his hair.

Mum : "Wow, your hair is growing so fast! You need a haircut again."

Little Jonny : "Maybe you should stop watering it so much."

A plumber attended to a leaking tap at the neurosurgeon's house. After a two-minute job, he demanded \$150.

Neurosurgeon : "I don't even charge that amount and I am a brain surgeon."

Plumber : "I agree. You are right! I didn't either when I was a surgeon. That's why I switched to plumbing!"

"Is your advertising getting results?" asked one business owner.

"It sure is," moaned the second owner. "Last week we advertised for a night watchman ... and the next night we were robbed."

## Lawyer and Accused

Lawyer : "I have some good news and some bad news."

Accused : "What's the bad news?"

Lawyer : "The bad news is, your blood is all over the crime scene, and the DNA tests prove you did it."

Accused : "What's the good news?"

Lawyer : "Your cholesterol level is OK."
