Spiritual X'mas celebration (21 Dec.'13)

Almost 70 BKs and guests dressed up in red-white to celebrate spiritual Christmas with Peace love and Joy.

Dadi Janki's message on 'Now' was shared the best present in the newsletter/article for all contacts. Br. Kailash (Hindu) shared how Christmas related to ShivRatri. Tan Chan (Buddhist monk) wrote a letter to Father Santa asking for 'Nirvana, Being benefactor to humanity, Being like God'. He got a readymade present a picture of Nirvana framed up by

Sister Neung as a gift to exchange. She told Baba ... 'This is my most favorite picture to give to someone special.'

Same night, same picture was shown in 'Voyager' VCD as a story to take everyone around the cycle of time as we come down from soul world.

We had song 'Silent night Holy night' for Br. Olav to express his feeling of deep sleep in heavenly peace even though he has been listening to this song since childhood.

Only Baba as Father Santa knows how to inspire his special children who are deserved to get the Christmas gift under the tree with Him on top as a Big star-Star of the East.

Big box of Toli from London has everlasting sweetness that we share from the hearts. We only praised our fortune to take the fragrance of love from these specially made Tolis for Dadi Gulzar. But she was in the hospital, so Baba had to sustain Thailand through her tolis with all the best reasons one could think of.
