

Service news from Singapore - January 2015

With January 18th falling on a Sunday, it was full house at Peace Hall right from Amrit Vela as BKs in Singapore came to fill themselves with special love & power. The hall was beautifully decorated with 4 pillars depicting the foundation of Raja Yoga-Knowledge, Yoga, Incultation & Service. Almost all the BKs capitalised on the day being a holiday & stayed till the end of the programme, immersing themselves in the magical atmosphere of powerful silence filled with deep spiritual love.

A WARM INVITATION TO
Brahma Bhojan

PRAJAPITA BRAHMA, or Brahma Baba as he is fondly remembered, founded the Brahma Kumaris World Spiritual University in 1936. After dedicating 33 years of his life to spiritual upliftment and social good, he left his body on 18 January 1969. During those years, he demonstrated how the most valuable and effective change that we can make is at a spiritual level. His own personal transformation inspired many to make time for the deep inner changes so necessary to restore contentment and peace in our lives.

In commemoration of the 45th Year of Ascension of Prajapita Brahma, we warmly invite you to join us for Brahma Bhojan (Indian vegetarian lunch).

BRAHMA KUMARIS RAJA YOGA CENTRE, SINGAPORE

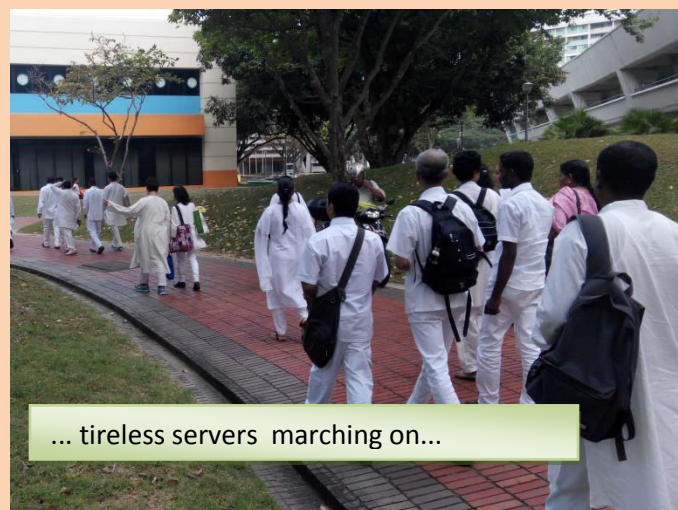

To commemorate Brahma Baba's 45th year of ascension, on Sun 25 Jan we organised Brahma Bhojan, an event which has become an annual tradition in Singapore.

Singapore Silat Federation

After a break of nearly 4 years whilst we were waiting for Baba's new house

to be completed, the turnout at the rented premises, Silat Federation Hall, was indeed heart-warming!

... tireless servers marching on...

Bharati behn with Vedanti behn and Yashmita behn

Many of our old contacts & friends were very happy to celebrate Brahma Baba's achievements with us. About 480 invited guests took great inspiration from the energetic & entertaining sharing by Vedanti behn (Director, BK Centres, Africa), our special guest for the occasion.

On the stage...

Children/youth doing their part...

Part of the 480 guests being served with
so much love and happiness...

It was also wonderful to see how readily & lovingly all the BKs cooperated with their bodies, minds & wealth to make this event a huge success. It is also noteworthy that Baba's new kitchen was maximised to the fullest to prepare the elaborate dishes which were served to every guest on a banana leaf!

Baba's Happy family

Washing-up in progress after the programme...

A big THANK YOU to Did Vedanti, Yashmita bhen and all the BKs who made this event a big success and touched the hearts of every guest who attended!
