

Sr Shivani and Br Suresh Oberoi's visit to Malaysia 30 August to 3 September 2013

The Brahma Kumaris (BKs) in Malaysia were very fortunate to have world renowned TV presenter BK Sr Shivani and famous film actor BK Br Suresh Oberoi visiting from India. They arrived on 30 August for a four day trip to Malaysia for the first time and were greeted at the airport by Sr Meera and a few other local BKs.

Three special events were organized in different venues, two in Kuala Lumpur and one in Penang, for Indian nationals and the Malaysian community in general. The first event, for Indian nationals, was held at Kalamandappam Hall, Brickfields, with the theme "From Expectations to Acceptance".

The second event was held at Wisma MCA, Kuala Lumpur where Sis Shivani spoke on "Feeling Great No Matter What".

The third program, where Sr Shivani spoke on “Healing Relationships”, was organized by the BKs in Penang. All the three public events were well attended by multinational and multi-racial people. Sr Shivani touched everyone’s heart with her sweet, simple and logical explanation. The audience were satisfied as there was a message for each of them.

Sr Shivani’s knowledge and reasoning was inspiring the audience to bring about the change in their mind-set. Br Suresh talked about being a living example of self-transformation for a better tomorrow. A combination of wisdom and humour encouraged the listeners to take the first step towards much awaited change.

Apart from the public events the local BKs also had the opportunity to listen to both Sr Shivani and Br Suresh. More than 300 BKs gathered together each day. Hearing the experiences of their spiritual journey, everyone felt that it is possible to practise spirituality in daily life in a natural way.
