Announcement Regarding The Delhi Program, 10 March, 2019

Dear Double Foreigner Family
Greetings of love

For past two years we have had a very special program in Delhi in March which has been jointly organised by the Delhi family and the Double Foreigners. This year's two Programs on the 10th of March are titled "**Spiritual Response to Critical Times**" and will take place in the beautiful Indira Gandhi Indoor Stadium accommodating an audience of 20,000. The brochure for the Programs is attached for your information.

These Programs will also be a real opportunity to showcase Baba's Double Foreigner Family, who will as Baba has frequently said, contribute to triggering the awakening of our 'family in Bharat'. **So, having said that; We Would Love to have at Least One Representative From Every Country where Baba has a Centre.**

VIP RETREAT, 8-9 MARCH, ORC

This retreat will explore the same theme as the Programs on the 10th, yet with much greater depth. The participants will be drawn from a select group of our special contacts from all over the World. These contacts will be of a very high caliber, active on the field of service, dedicated as change makers and agents of transformation in their areas of endeavor and open to further exploring the application and implications of elevated thinking and a divine mind as principal tools for facilitating long term transformation. This retreat will be facilitated by Caroline Ward and include participation from our respected seniors. These contacts will also participate in the 'Spiritual Response to Critical Times' Programs on the 10th.

The retreat participants will be recognised publicly during the Programs on the 10th for their dedicated work of living from integrity and spirituality. Please consider if you have special contacts/friends/professionals of BK's, who could be considered for being invited to the retreat. The retreat will be in English so it is suggested that they are competent in English to take full benefit. We would appreciate if you could prioritise whom you feel to invite first and send a few lines description of them and their relationship with the BK's.

CULTURAL ITEMS

If you have cultural items from your country that are of a very high quality, could you please also send the performer/s name/s and a brief description of the item along with a video. Kindly send items for submission by 5th January. The vetting team will respond by January 30 latest regarding the items.

Sorry to give a short deadline, but if you could you kindly send this information to Trish at (innerspace111@gmail.com) and copy Charlie (charlie.hogg.charlie.hogg@au.brahmakumaris.org) by January 5th.
