

You are Warmly Invited

TO A SPECIAL EVENT FOR THE SINDHI COMMUNITY

Dear Brothers and Sisters,

Greetings of love and peace. Have you ever thought about the subtle bonds that create a sense of family in the heart? It's been over 70 years since partition scattered families of the Sindhi community around the world, and yet, we still have a feeling of deep connection—that transcends time and distance, years and borders.

One place where the Sindhi community has played a very special role is in the birth and expansion of the Brahma Kumaris. Founded in Sindh and sustained through Sindhi families, the BK's extended their service across continents through the hospitality and friendship of the generous-hearted Sindhi clan. On countless occasions, sisters and brothers from the Brahma Kumaris were invited to share messages of spirituality and meditations in Sindhi homes with invited guests. The histories of the BK's and the Sindhi diaspora are inseparable.

On **Saturday, September 26**, we're having a Sindhi reunion and spiritual gathering on ZOOM from **8:00am to 10:00am New York time**. Our theme is *True Belonging: Experiencing God's Love & Protection*. We will enjoy a few memories, hear sharings from Sister Mohini and Sister Jayanti, be transported through music, and watch inspiring videos to celebrate the sweet journey we have traveled together.

Please register at tiny.cc/Sindhi_Invite. We look forward to being together!

With warmest wishes and love,
Sister Mohini and Sister Jayanti
