

Supremely Beloved Avyakt BapDada's instrument teachers, brothers and sisters, ones who always keep the seed of your thoughts full with good wishes of benevolence, ones who are engaged in world benefit, please accept sweet love-filled remembrance.

Seeing the present scenes of the drama, all of you must definitely be serving to make your own stage powerful and with the practice of service through the mind, are giving the donation of yoga to the whole world and to nature. According to the pure thoughts of all Baba's children in this land and abroad, we are sending you this letter of remembrance. As all of you can see, the Corona virus has put a stop to all types of service programmes. In Madhuban, in all three complexes, all programmes have been stopped for the past six months.

Our sweet and lovely Dadi Gulzarji is still in Gamdevi centre, Mumbai, and it is from there that Dadiji is giving us the experience of the powerful vibrations of Avyakt BapDada's sakaash. All of us have taken avyakt sustenance from this chariot for 48 years and heard the sweet elevated versions, and even receiving powerful drishti through the video gives us the experience of being merged in God's love and of filling our aprons with blessings.

This year, the programme for Avyakt BapDada's incarnations in this land and abroad will be heard and seen online, enabling all brothers and sisters to become merged in the ocean of experiences.

If we receive permission from the Government for some brothers and sisters in India to come to Madhuban, we will inform you of the numbers of how many brothers and sisters can come and on what date they arrive in Madhuban and what date they have to leave. Of course, being in our own places, we will celebrate an auspicious meeting with BapDada on-line.

With lots of remembrance.

In Godly service,

B.K. Ratanmohini
