

# Happy New Year 2020

## Special Greetings of Peace and Prosperity!

As one year draws to a close and a new one begins, time seems more precious than ever. This moment of renewal sparks a natural enthusiasm to enrich our lives, and the lives of others.

There is perhaps no more valuable treasure to possess at this time than the power of a pure heart. The power of purity creates a deep sense of trust and faith in One—empowering each of us to decorate our actions and interactions with authenticity and integrity. Such a soul becomes like a blessing in a world hungry for kindness, truth and compassion.

Time is inviting each of us to unlock the unlimited capacity for goodness that resides within our hearts. The key is simply to reconnect with the most sacred awareness of ourselves: that I am a spiritual being, eternally a child of God.

Let us ring in the New Year with the sweet sound of giving and receiving blessings of purity...a daily celebration of being our best and seeing the best.

With much love,
