A Virtual GYAN One Day Retreat
of NCs, NCTs, CCs and center residents
(approximately 40 years of physical age and under)

Dear divine friends of the heart...
Baba's heart, the heart of the Yagya and the heart of the world.

Om Shanti and warm greetings of pure love and remembrances. We do hope this email finds you healthy, happy and in supreme intoxication of belonging to the Almighty Authority Himself, our beloved Baba.

It has been over one year since our last encounter. Sharing in your divine presence, listening to your inspiring stories of growth and transformation, meditating as a group, exploring deeper dimensions of spirituality in every retreat...have all made every trip to Madhuban so memorable. This year too, we want to create that magic, and it is with this in mind, that we write to you.

Many of us recently participated in the Integrated Retreat, which was a powerful spiritual boost. Now our pure wish is to create a special opportunity to extract the rich and beautiful voices of the younger generation of instrument servers. So, it is with absolute delight, that we extend a warm invitation to you, to accompany us for this year's:

A Connection Beyond Time, Space and Facilities

Saturday, 8th May 2021.

We aim to cover the similar main topics of the Integrated Retreat, but in our unique and creative GYAN style! And the bonus is that there is always so much love, joy and magic in our group reconnecting and meeting. More details of the retreat will follow in the next email.

We do look forward to 'meeting' again soon. In the meantime, keep illuminating the world with your glowing hearts, overflowing with benevolence, mercy, creativity, love, and power.

In the heart of the Unshakeable One.
In His sweet love and remembrance,
The GYAN Planning Team
