

Madhuban Om shanti

Special letter of Remembrance – Dates for the Online Avyakt Meetings 2021-22

Beloved Avyakt Image, the Mother, Father, BapDada's deeply loving instruments teachers, brothers and sisters, ones who always fulfil the pure hopes of the Mother and Father, the lamps of hope, ones who observe every scene of the drama as detached observers, ones who always keep the Companion with yourself and thereby have received the blessing of being victorious, please accept sweet love-filled remembrance.

Sweet Baba has taught us children to always have zeal and enthusiasm and so, we are all free from the cycle of "ifs" and "buts". Baba is making His children complete with all powers such that no paper of any circumstances in the world can create any difference to our zeal and enthusiasm. Hearing Baba's sakar and avyakt elevated versions, all of you must be experiencing this.

Now, the pure thought of all of Baba's children in this land and abroad are reaching here, as to how BapDada's avyakt meetings will continue. Since a few years, all of us having been experiencing avyakt sustenance through our avyakt stage. All of Baba's children who come to our home Madhuban all experience Baba's remembrance being merged in every particle. As soon as you set foot on this land of Baba's divine activities, all become full. Our sweet and respected Dadi Gulzarji became a resident of the subtle region, teaching all of us the lesson of suddenly and being ever-ready.

After Dadiji became avyakt, all the planned programmes had to be postponed due to the second wave of Corona. However, the atmosphere everywhere is now changing. Even though the disease has not gone, those who have had the vaccination and those who are observing all the regulations are experiencing themselves to be safe and protected. The Government has now given permission for programmes to take place in small groups, and so yoga-tapasya programmes will be arranged in all places of Madhuban in the months of August and September 2021.

After that, we will be meeting BapDada in the usual way by video and will receive BapDada's powerful and blessed drishti, and listen to BapDada's sweet and elevated versions. All brothers and sisters in this land and abroad will be able to take full benefit of this online programme.

We hope that beloved BapDada and our sweet Dadi Gulzarji will make all of us complete through their subtle powers. With this aim, we have made 12 groups for BapDada's meeting, for which some brothers and sisters from India will be able to personally come to Madhuban. But otherwise, all will experience the avyakt meeting at their own places. We are sending you the detailed schedule and definitely, each one will give your own co-operation. Achcha.

Lots of love and remembrance to all.

In Godly service.
