

INTERNATIONAL  
**BROTHERS'  
RETREAT**

# Pandava Life

*Purpose, Personality & Pathway*

**September 3–5, 2021**

Extending a warm invitation to all of BapDada's pandavas to join us for this interactive online retreat.

Featuring sessions across three time zones with talks from senior yogis—including Sr Jayanti, Br Ken, Br Charlie, Mohini Didi, Br. Brij Mohan, Suraj bhai and others—this retreat will bring brothers together from around the world. Each session, running for about two hours, will have an interactive element where you can meet and chat online with BK brothers. The retreat will conclude with a final session timed to enable all to attend.

Looking forward to seeing you!

*What people consider to be very difficult, you have made easy. Seeing the Pandava Army, Father Brahma was especially singing songs of praise of you children... And the wonder of you Pandavas is that, whilst keeping the Shaktis in front, you are moving along with zeal and enthusiasm and making yourselves move forward. The intense speed of the efforts of you Pandavas appears to be one that is enabling you to progress well.*
