

DOUBLE FOREIGNER PROGRAM OCTOBER 2021

# My Subtle & Secret Life with THE SUPREME

*"Whenever you remember Me,  
I become present.  
I make this golden offer to you,  
To be your Companion, constantly.  
Just have the thought,  
Create space in your heart,  
And make time to be with Me."*

Our mind and heart, having awakened to the splendour of God yearn to go deeper to taste the essence and sweetness of Baba. These two days of reflective yoga bhattis will be a pilgrimage back to Madhuban, our sweet home. We will visit familiar places, meet familiar faces and draw on the wisdom and experience of souls who are on this intimate and extraordinary journey with the one.
