

Happy Diwali

**Dear Divine Raj-Dulare Children
of Beloved BapDada,**

Warmest Greetings of Love on this Auspicious Occasion!

The festival of Diwali is a beautiful memorial of our perfect and complete stage, one filled with lightness, purity and royalty. Our joyous nature is constantly ignited, and we are beacons of good wishes and benevolent feelings. This is our fortune, and our destiny!

Let us celebrate the significance of this festival together by diving deeply into the rich world of Baba's Love, where we are fully decorated with the essence of His Wisdom, the Blessings from His Heart and the Pure Pride in His Eyes.

May you always remain fully ignited
as we welcome the New Age.

With deep love from the heart,
In Baba's Sweet Remembrance
BK Mohini
