

INTERGENERATIONAL BRIDGES TO HEAL AND GROW REDISCOVERING RICH RELATIONSHIPS

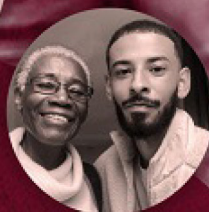

SATURDAY 30, OCTOBER, 2021
2.00 - 5.30PM (BST)

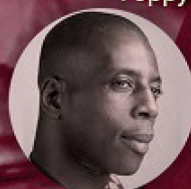

Verona Spence-Adofo

Sister Dr. Jenna

Nina Buchanan &
Elisha Buchanan-Rigby

Olusola Adebisi

Pearl Smith

Lorna Jean-Charles

Richard Olatunde

This event celebrates connections across generations that can address the societal breakdown that has brought fear, anxiety and disconnection from our heritage and true identity. Reconciling inner and outer conflict begins with the self and starts the process of true togetherness within families, communities and the planet. How can we accept the differences within ourselves as the catalyst for healing intergenerational differences and achieve global oneness?

Creative workshops in poetry, singing, story-telling and art.
