

Spiritual Birthday. Baltic States **Riga - 29 years, Vilnius - 19 years, Tallinn - 13 years**

The online program celebrating the spiritual birthday of the three BK centers in the Baltic States – Latvia, Lithuania and Estonia – took place on October. The aim of the program was to experience the unity and cooperation of the Baltic Brahmin family, to celebrate our common holiday, and to meet with Senior teachers and students from the Baltic States who are now serving in other countries. We watched a few videos about the unity of the BK family. We congratulated each other, watched a video dedicated to our common history of service and cooperation, sang songs, remembered the days of our spiritual childhood and, of course, lit candles and cut the birthday cake.

Video "Baltics - 29 Years Together", dedicated to the general history of the BK family in the Baltics.

We were congratulated by our sister Natalia Fakirova, who was one of the first sisters-instruments in the Baltics. For 10 years, sister Natalia has been the coordinator of the BK center in Riga.

We were very pleased to have the opportunity to meet with Didi Sudha. With great warmth and love, she congratulated all three Baltic centers on their birthday, and also said words of support and kindness to many of us personally and to the entire Baltic family as a whole.

The Baltic family was especially happy to receive greetings from our dear and respected Senior teacher – brother Vijaya, who reminded us of how the service in the Baltics began, of the days of our spiritual childhood, and congratulated us with our common holiday.

The event culminated with the ceremony of candle lighting, and cutting the cake.
