

Postal Stamp Commemoration at Consulate General of India in St. Petersburg

“Dadi Janki ji was an empowering leader renowned all over the world for the depth of her wisdom and the power of her presence”, said Mr. Deepak Miglani, Consul General of India in St. Petersburg, at a ceremony dedicated to the release of the postage stamp in the memory of Dadi Janki.

St. Petersburg, Russia

May, 6

The entire Consulate staff and a group of the BK board members, programme coordinators and students joined the ceremony at the Consulate compound on Thursday, 6 May.

Addressing the audience, Mr Deepak Miglani said,

“Today we are remembering the vast amount of Dadi’s legacy in the form of her wise teachings, powerful blessings and an unparalleled

lifelong experience. Respected Dadi Janki ji was an empowering leader renowned all over the world for the depth of her wisdom and the power of her presence. She traveled to 110 countries crossing all the barriers of status, race, religion and creed. The Consulate is indeed privileged to be part of this commemorative ceremony of the postage stamp release.

“We wholeheartedly and sincerely appreciate the work of the Brahma Kumaris centre in St. Petersburg who are carrying out their noble mission of bringing people of different nationalities, different religions together and close to one another. It was certainly a rare honour for me to be personally part of the ceremony which was held at your centre when respected Dadi ji was visiting St. Petersburg in May 2019. I have and will continue having vivid memories of those times. One of the rare privileges I had as a diplomat, which I will continue remembering for the rest of my life, is that this job gave me a chance to meet honorable Dadi ji. These are the occasions which you cherish, which make your life rich for all the time to come. I am sure that Dadi ji’s smile, her teachings and her compassion will stay with us in all times to come.”

Mr. Deepak Miglani's tenure as Consul General in this city is completing soon and he is going to move elsewhere, so lots of words of gratitude filled with warm family feelings were said to him on the occasion.

A heart-touching video film gave the audience a glimpse of Dadi ji's unique, more than 80 years long, path of serving God and humanity.

Speaking of Dadi's exceptional personality, Didi Santosh, the Brahma Kumaris director in St. Petersburg, said, "We all understand the meaning of love, because this is the dish that we start cherishing since childhood, in fact, since our very first breath."

But very few people in the world know how to cook this dish. And Dadi Janki is one of those rare people. Dadi's life was full of cooking the dish of pure spiritual love for thousands people on a daily basis, which made her life accomplished with everyone's blessings. This was the gift from the Supreme Father's teachings which are called raja yoga."

To the applause of the audience, Mr Deepak Miglani and Didi Santosh opened beautifully decorated albums with the enlarged picture of the postage stamp in Dadi's memory that had been released in Delhi by Shri Venkaiah Naidu, Hon'ble Vice President of India, on 12 April, 2021.

This time, due to the pandemic restrictions, the Consulate staff could not come to Lighthouse for a traditional pure family brahma bhojan. So the brahma bhojan came to the Consulate!
